According to Government Order No.L.2908-28 Ml.
172-33-25 dated the 23rd October 1935 and Government Order No
L.5997-6017 Ml.139-35-11, dated the 7th February 1936, perio-
dical transfers of officials in the local bodies have to be
effected promptly and officials cannot be allowed to remain
in any one Municipality for more than three years Balakrish-
nan referred to above in the Bangalore City Municipality for
over eight years. It is undesirable and against the Govern-
ment Orders quoted above to keep him on there any longer.

L

Manaskhisundaram who has been transferred in his place has put in sixteen years of service and ought to be useful in the Municipality. I am of opinion that the transfers now ordered may stand.

b) I may point out that as per latest statistics furnished by the Municipal Commissioner the number of Officials remaining in the Municipality for over 3 years is thirty. I must add that the Municipal Commissioner was certainly not in order in declining to take on duty the official transferred to his office. Unless the officers concerned co-operate it will be impossible for the Revenue Commissioner to give effect to the orders of Government about the periodical transfers of officials from Local Bodies.

SIR

In forwarding herewith a copy of this Office letter of even Number and date, addressed to the Revenue Commissioner, regarding the cancellation of the transfer of J Balakrishnan from this Office, to the Shimoga District, I have the honour to state that A Meenakshi Sundaram who has been transferred to this Office from the Shimoga District appeared before me on 11-4-1944. He was found to be completely deaf and it is impossible to extract any work from him in the usual course.

2 In this connection, I may state that a good number of experienced officials have been recently transferred from this Office to the Civil Supplies Department and other Offices. Their substitutes are found to be not able to satisfactorily cope up with the work in this Office. As such, it has been found very difficult to get through the daily work in the Office. J Balakrishnan is one of the few competent hands and the Office work will be further handicapped, if he is also transferred. I request therefore, that, in the interest of the office work, the Revenue Commissioner may be kindly requested to cancel the transfer of J Balakrishnan and post A Meenakshi Sundaram elsewhere under the above circumstances.

I have the honour to be,
Sir,
Your most obedient servant,

P Suryanarayana Setti
